**Snacks**

We have two snack periods per day, the first at 10:30 a.m., and the second at 2:30 p.m. Your child may purchase snacks from our Camp Canteen or bring snacks from home. Canteen snacks include pretzels, chips, granola bars, fresh fruit, pudding cups, fruit cups, goldfish, pop tarts, muffins, popcorn, etc. The fee for snacks for the whole week is $5 for one snack period, $10 for both snack periods, or $1 daily for each individual period. Campers may sign up for a week of snack in advance when registering, add snack the day camp begins, or simply bring in $1 per snack any day they wish to purchase. Water is always available to campers during snack at no charge. If a camp goes off campus for a field trip, snacks and water will travel as well.

**Lunch Stay**

Our lunch time runs from 12 – 1 p.m. each day. Campers who have scheduled a full day of programs (an all-day camp or two half-day camps in the same week) will be taken to a supervised lunch hour, at no charge. If a child is only registered for a half-day camp and would like to stay for our supervised lunch hour, please add this option for $30/week when registering. All campers should bring their lunch from home. Water is always available to campers during lunch at no charge.
