Curriculum intentionally seeks to cultivate a GROWTH MINDSET, RESILIENCE, and INTELLECTUAL CURIOSITY.

Teacher to student ratio

1:16

Small class sizes with certified teaching assistants and small work group help meet the needs of the individual learner.

IB PYP
International Baccalaureate
Primary Years Program

Curriculum facilitates inquiry-based learning and cultivates inter-disciplinary connections.

Reinforcing positive character traits through Spirituality

All students gather twice weekly for chapel, honoring our episcopal tradition while serving to reinforce the positive character traits we instill—honesty, humility, resilience, integrity, and kindness.

Greenville
South Carolina

16.7% International

Globally diverse community celebrates differences while encouraging an atmosphere of acceptance and inclusivity.

K-12 coordinated continuum

This creates a foundation for academic and emotional growth in an interactive, nurturing, campus environment.

CHARACTER • COMMUNITY • EXCELLENCE • SERVICE
